Customer Responsibility

- If the customer is not the property owner, it is the customer's responsibility to obtain permission from the property owner to place the container on their property.
- The customer is responsible for providing a clear and safe path and location for delivery and pick up of the container.
- The District shall not be responsible for damage to any private pavement, concrete, asphalt, lawn or any route reasonably necessary to perform the services contracted.
- **Trash and green waste cannot be comingled in any container.**
- Customer is responsible for all materials in dumpster.

I have read and agree to the terms and conditions of this application.

3 Yard Temporary Residential Dumpster Terms and Conditions

Materials: Acceptable items for disposal in a trash container include: household trash, food waste, construction debris (4' or less in length), roofing, ashes (water soaked & bagged), lightweight plastics clothing, and styrofoam. Concrete, steel, asbestos, brick, dirt, large pieces of wood or stone, non-compactable items, hazardous and electronic waste cannot be placed in any dumpster. Trash and green waste cannot be comingled in any container.

Placement: Dumpsters may not be moved from the delivery location except by District personnel. Moving to an unapproved location may result in missed empties, or removal of the dumpster and forfeiture of fees paid.

Fees: The monthly fee will not be prorated. For example, if the dumpster is delivered on February 1 and removed February 28, (kept for the entire calendar month) or delivered on February 15 and removed February 20, (used for 5 days during the calendar month), the cost is the same. Following completion of the application and payment of fees by cash or check, the dumpster will be scheduled for delivery. Once a dumpster has been delivered, the terms of this rental agreement cannot be changed, and the fees become non-refundable. To continue month-to-month usage, the new month's charges are due in the office by the 25th (see removal). An additional pick-up can be arranged for \$25, paid in advance. Please call the office for details and availability of an additional pick-up.

# of Empties/Week (Day of service)	3-yard Monthly Rate (Per Dumpster)
1 per week (F)	\$168.58
2 per week (M, F)	\$182.62
3 per week (M, W, F)	\$196.66
4 per week (M, W, Th, F)	\$210.70
5 per week (M, T, W, Th, F)	\$224.74

Removal: On the 26th of the month, the District will automatically schedule the dumpster for removal on the last working day of the month if the customer has not prepaid the next month's rental fee. Returning customers, who neglect to prepay the next month's rental fee before removal, can expect redelivery within 3 business days.

Use: It is the customers' responsibility to keep the area near the dumpster clear. Blocked access to a dumpster due to snow, ice, vehicles, fences or gates, etc., may result in missed empties. Inability to make scheduled empties due to blocked access, weather conditions or road work will not entitle the customer to a refund, extension of service or additional empties. Dumpsters will not be emptied if they are filled above the top edge of the container or contain unacceptable items.
