STAFF REPORT AND RECOMMENDATION
FEBRUARY 15, 2022 SPECIAL BOARD MEETING

DATE: February 9, 2022

TO: Board of Directors

FROM: Jon Zamorano – Solid Waste Superintendent

SUBJECT: Proposed Resolution 2022-02 - A Resolution of the Big Bear City Community Services District Authorizing Submission of a Notification of Intent to Comply with SB 1383 Pursuant to a Corrective Action Plan Prescribed by SB 619

BACKGROUND:

Senate Bill 1383 (SB 1383) was signed into law in September 2016. It establishes methane emissions reduction targets to reduce emissions. The bill is broken into two major sections with organic material that is generated with food and yard waste. The District was granted a waiver on the food portion of the bill, however the yard waste section will require the District to comply with SB 1383. Beginning January 1, 2022, jurisdictions that were not in full compliance risked facing enforcement measures including financial penalties of up to \$10,000 per day. Thankfully, in October of 2021 the governor signed Senate Bill 619 (SB 619) which creates a mechanism to delay penalties for local agencies. This mechanism is called a Notification of Intent to Comply (NOIC) through which a local jurisdiction may secure administrative civil penalty relief from any continuing violations of the Regulations for the 2022 calendar year and may be eligible for a broader and longer-term compliance path. The NOIC requires the agency an overview of SB 1383 compliance efforts, identify the sections that are not in compliance, and provide a timeline for implementation. The proposed resolution authorizes staff to submit a NOIC, consistent with SB 619 requirements, by March 1, 2022.

FINANCIAL IMPACTS:

There is no financial impact. Further actions pertinent to the Solid Waste Department may have a fiscal impact and will be analyzed with each future action.

STAFF RECOMMENDATION:

Staff recommendation is to adopt the Resolution 2022-02 Authorizing Submission of a Notification of Intent to Comply with SB 1383 Pursuant to a Corrective Action Plan Prescribed by SB 619.
