Comments: _____

Customer Responsibility

- If the customer is not the property owner, it is the customer's responsibility to obtain permission from the property owner to place the container on their property.
- The customer is responsible for providing a clear and safe path and location for delivery and pick up of the container.
- The District shall not be responsible for damage to any private pavement, concrete, asphalt, lawn or any route reasonably necessary to perform the services contracted.
- **Trash and green waste cannot be comingled in any container.**
- Customer is responsible for all materials in dumpster.

I have read and agree to the terms and conditions on the reverse side of this application.

1 Yard Temporary Residential Dumpster Terms and Conditions

Materials: Acceptable items for disposal in a trash container include: household trash, food waste, construction debris (4' or less in length), roofing, ashes (water soaked & bagged), lightweight plastics clothing, and styrofoam. Acceptable items for disposal in a green waste container include: pine needles, grass clippings, small shrubs, pruning waste, and small branches less than 1.5 inches in diameter. All green waste must be placed in the container loose (no bags). Concrete, steel, asbestos, brick, dirt, large pieces of wood or stone, non-compactable items, hazardous and electronic waste cannot be placed in any dumpster. Trash and green waste cannot be comingled in any container.

Initial _____

Placement: Dumpsters may not be moved from the delivery location except by District personnel. Moving to an unapproved location may result in missed empties, or removal of the dumpster and forfeiture of fees paid.

Fees: 1-yard temporary dumpsters can be rented by week or calendar month. The monthly fee will not be prorated. For example, if the dumpster is delivered on May 1 and removed May 31, (kept for the entire calendar month) or delivered on May 15 and removed May 20, (used for 5 days during the calendar month), the cost is the same. Following completion of the application and payment of fees by cash or check, the dumpster will be scheduled for delivery. Once a dumpster has been delivered, the terms of this rental agreement cannot be changed, and the fees become non-refundable.

Trash Weekly Rental: \$64.60

Green Weekly Rental: \$80.75

# of Empties/Week (Day of service)	1-yard Trash Monthly Rate (Per Dumpster)	1-yard Green Monthly Rate (Per Dumpster)
1 per week (F)	\$159.22	\$199.03
2 per week (M, F)	\$163.90	\$204.88
3 per week (M, W, F)	NA	\$210.73
4 per week (M, W, Th, F)	NA	\$216.58
5 per week (M, T, W, Th, F)	NA	\$222.43

Removal: Weekly dumpsters will be removed the same day of the week the dumpster was delivered. Calendar month rentals will be scheduled for removal on the last working day of the month. If continuous service is desired, payment for consecutive weeks or months must be paid before the removal day. On, or following, the removal day, a new application and payment of rental fees will be required to re-establish 1 yard dumpster service.

Use: It is the customers' responsibility to keep the area near the dumpster clear. Blocked access to a dumpster may result in missed empties. Inability to make scheduled empties will not entitle the customer to a refund, extension of service or additional empties. Dumpsters will not be emptied if they are filled above the top edge of the container or contain unacceptable items.

Contact Customer Service at (909) 585-2565 from 7:30am-5:00pm, Monday-Friday, except on District holidays, with any questions.
